City Council is challenged on past park promises

Tuesday night's regular meeting of the City Council was marked by three presentations from Hondo citizens and groups.

A group of about 15 Brown Berets of the Hondo chapter asked

the Council why nothing had been done to date regarding improvements to the Barrio park. Last August, Council had agreed to construct a backstop, dugouts, and a concrete drain structure around a

drinking fountain, in addition to placing trash barrels about the park.

No action has been taken since that time.

Citing delays due to construction

of flood-prevention measures in East Hondo and the work done on the City Park (which Mayor Barry said is federally funded and had been on the books two years), Barry directed City Manager Fritz Leinweber to make the improvements as soon as possible.

Leinweber said they will be in place "when the kids get out of school, on May 29."

Brown Beret spokesman Lucio Torrez asked that the City also build men's and women's restrooms at the park. The Council agreed that no action could be taken until the cost of restrooms could be studied. Pressed for a date of an answer, Mayor Barry refused to set a definite time to decide on the issue, but said only that the Council would take it under serious study.

Additionally, the group asked that monkey bars or other playground equipment be installed at the park. A letter handed to Mayor Barry said the group wants an answer at the next regular Council meeting.

Councilman G. E. (Pete) Pedroza came under criticism by the group for not being more active in supporting their requests. Discussion along those lines was finally called to a halt by the Mayor, and the meeting continued.

CLEANUP

Answering a petition which asked that he clean up his property in the south part of Hondo, Donald Muennink appeared before the Council.

Muennink said he has not removed the debris of his burned home because of a dispute with his insurance company over its investigative records. He also mentioned a long-standing tax disagreement with the City. No action was taken on the matter.

AIRFIELD

Fred Johnson, representing Gary Aircraft, brought to the Council's attention several sizable repair projects that are needed at the Gary facility.

Roofs, windows and walls of several of the airfield buildings are deteriorating rapidly, said Johnson, and failure to repair them could result in Gary losing an important government contract.

Again, City Manager Fritz Leinweber was dispatched to either have City repair crews do the needed work, or to hire commercial contractors.

STREETS

Street Commissioner Lloyd Hermes outlined a massive paving and sealcoating project which would renew all streets from 15th to 18th streets inclusive, between Avenue M and U.

Also included in the sealcoating would be several airfield streets. Paving of Avenues S and T was also recommended, despite the fact that a few of the residents still have not agreed to pay for it. Total distance involved would be 7 miles of sealcoat, 2 miles of paving. Cost estimate was \$38,000.

The Council decided not to approve the project until after the Budget can be studied. Possibly some federal revenue sharing funds could be used for it.

WATER

Elmer Faseler reported that elevations for a new water line are so close that City personnel may not be accurate enough in their measure. The Council moved to hire an engineer to shoot elevations, and City workers could lay the line.

A fire protection water line to the Hillside addition south of Highway 90 West near Castro Avenue was approved by the Council.

BUILDING INSPECTOR

Henry Flory, Hondo Building Inspector, asked that the City amend the Building Code to allow 24"x24" concrete foundation beams for residences, rather than the 30" beams now required. This exceeds normal requirements, said Flory, and is unnecessarily high. Council acted to amend the Code as requested.

POLICE

Police Chief Jim Shofner formally submitted his letter of resignation to the Council. It was approved, with a letter of commendation by the Council. No action has yet been taken to fill the vacant Chief's spot.

BUDGET

May 21 was set as the date to discuss the new budget for the City of Hondo, and to set the tax rate for next year.

In personnel matters, the Council voted to reappoint Paul Bybee, Bud Johnson and Franklin Wiemers to the Planning and Zoning Board, and to hire new employees Nancy Corum and Alice Bohlen.

Eighth grade students see changes coming up in fall

Eighth grade students will probably feel like grown ups this next school year with the Tuesday night approval by the school board for that grade to be conducted at

the high school. "This move," said Supt. Kenneth Flory, "was brought about by the expansion of our Special Education classes, which will cause an

overcrowded condition at McDowell Middle School."

Special Education at Hondo has been authorized to expand by adding four new instructors, one diagnostician and one special education counselor.

"We realized this expansion was coming several years ago," Flory said. "So when we expanded the high school by eight new classrooms it was with the anticipation of this move. We have the room for this class in high school."

Flory explained, however, that this does not mean the eighth grade will become part of the high school program. "They will continue to take the same course they took at McDowell. But they will follow the same schedules as the high school."

Board members also approved the hiring of Charles Casillas of San Marcos as assistant band director to Billy Harrell. Casillas is a

SAM KINDRICK

... surely stirred up a hornet's nest with his recent column on the South Texas Championship Chili Cook held the last two years in conjunction with Museum Celebration Days.

Irate citizens seemed to think Sam's journalistic efforts were a slur on the honor of the town. That is some did. Others thought the chili cook was the slur.

My phone rang off the hook and I received one dilley of a letter from someone who didn't have the guts to sign their name because as they worded it, "since those who disagree with you seem to become your enemy for life I'll not sign my name."

This missile of sarcastic verbage was sent to me because the writer said "you [meaning little ole enemy list maker me] endorsed the chili cook so strongly."

Yep, I'm guilty. I did and do endorse the chili cook. But I do not condone the actions of everyone who participated in the event. I feel some of them get a little wild with their drinking, their cursing and their actions.

But, let me hasten to add that what those people do are their bag and if I don't like it I guess I can stay away.

I agree with the writer--as well as the several callers--that it is difficult to expect our children to grow up in what we call a "correct" manner when they see persons who are not so discreet in their actions and their language. Then, again, what about the programs we let them watch on TV, the shows we let them see at the movie houses, and the language they hear daily from the mouths of fellow students on the school campus?

So, I come back to the fact that many, many persons [among them many of the respected citizens of our community] thoroughly enjoyed the chili cook and the people who participated. At the same time, the event brought in many outsiders, and I cannot help but believe this fact led to an increase in spending at the annual event.

I suppose you could classify it as a legalized drunken brawl, but then again it probably isn't any worse than many gatherings in private homes in Hondo and elsewhere.

Now, back to Sam Kindrick. I don't think he needs any defense from me, because he seems to take care of his problems pretty good. But the story he wrote was in no way intended as derogatory to Hondo and the annual event.

He writes to certain people and to them he was bragging on the various things that happened. I read it in the humorous vein and I suppose that way it did not upset me as much as it did others.

However, if you read it in a different way, that is your business.

Do we want Hondo to have that image? A good question. But remember: San Marcos holds the Chilympiad each year and the same people who were here attend. And I'll bet you a plugged chili pot that the first thoughts you think about when someone mentions San Marcos is either the University or Aquarena.

Over in Uvalde the same people whoop it up at an annual event, and tell me if I'm wrong when I say your first thought of Uvalde are the football team or that it's the hometown of Gov. Dolph Briscoe.

I could go on and on, but I believe you get the point. Somehow, I cannot believe that outsiders will think of a wild chili cook when they think of Hondo. It'll be the Hondo Airbase or our road sign. Or maybe our cornshuckers.

OUTSTANDING McDOWELL BAND STUDENTS ... named at recent concert are [l-r]: 6th Grade Outstanding boy and girl, David Lynch and Alice Martinez; Director's Award for Outstanding Jr.

High student, Richard Muennink; Outstanding Jr. High girl, Debbie Young; 5th Grade Outstanding girl and boy, Laurie Ward and Stuart Nietenhoefer.

STATE WINNER ... over more than 1,300 sixth graders in Texas who submitted entries in the Fire Prevention Post Contest sponsored by the State Board of Insurance, was Donald Muennink of Hondo. Here he shows off his new certificate with McDowell Middle School Principal E. J. Hilsher. He is the son of Mr. and Mrs. Donald Muennink of Hondo.

Full house hears coyote program

Medina County's farmers and ranchers showed up in large numbers at the County Court House Wednesday to attend a class in operating the M-44 coyote-killing cyanide device.

County Extension Agent Glenn Bragg, who hosted the two-hour session, reported that 146 people have been certified by the Texas Department of Agriculture as eligible to purchase and use the M-44 device.

The M-44 is a spring-loaded metal cartridge which propels a cloud of sodium cyanide powder into the mouth of a coyote when the animal tugs at a baited trigger.

Representing the Texas Department of Agriculture at the class was Lionel Felts. Dr. Milo Shult, Wildlife specialist from the Texas A&M Extension service, presented a slide show on the safe and effective use of the M-44 device.

Forty-four Texas counties will be

Dates set for Blood Drive

Dates have been set for the upcoming Blood Drive in Hondo and residents are urged to keep them in mind.

The drive will be conducted by Blood Services on June 21 and 22. Schedules will be: Friday, June 21, noon to 8 p.m. and Saturday, June 22, 10 a.m. to 6 p.m.

Equipment will be set up in the new north wing of the Hondo High School (VOE Building).

Posters describing the drive are to be distributed next week and personal contact will be made by members of the Junior Service League and other individuals.

SERIOUSLY, DOCTOR ... Little two-and-a-half-year-old Sandra Paloma has a quizzical look on her face wondering just what the doctor is listening for in this examination. She was one of the many children who went through the health screening program conducted here this week by the Texas Department of Public Welfare and the State Department of Health. Dr. Paul W. Musgrave is checking little Sandra. [Photo by Burnis Lawrence]

Health screening given youngsters

Many children have medical conditions that may not be detected until too late if for some reason or other they never see a doctor.

This week the Texas State Department of Health and the Texas Department of Public Welfare joined hands to bring the doctor to some 250 youngsters in Bandera and Medina counties.

Health screening services were provided Monday and Tuesday in Hondo and Wednesday and Thursday in Devine by the mobile health screening team headed by Dr. Paul W. Musgrave.

"Screening is the key word here," Dr. Musgrave, a retired Air Force doctor who says he "has to be doing something worthwhile in retirement," pointed out. "We check blood pressure, eyes, ears, throat, heart disorders, anemia and tuberculosis. If any abnormal condition is found, we refer them to a doctor of their choice."

Dr. Musgrave also pointed out that the success of the health screening team has much to do with the rapport between the two Departments and the local health units.

"Without their cooperation our job would be almost impossible," he said.

In the team with Dr. Musgrave are Rafael Gomez Jr., health program specialist; and Rita Fay, R.N., public health nurse. They form one of 13 such teams in the state and personally cover 29 counties.

"Last year," Dr. Musgrave said, "we screened some 8,000 youngsters and found many conditions which, when corrected, will help them through the rest of their lives."

All arrangements for the team's visit, schedules, facilities, etc., were made by Ron Presnal, caseworker

for the local Department of Public Welfare.

Transportation for many of the children was provided by volunteer help and the team was housed in the educational building of the First United Methodist Church. Necessary referrals to physicians will be made through Presnal's office.

You're invited to Tarpley

How's your hunger for good barbecue beef?

Well, you'll have to get hungrier than that by Sunday, May 19, or you'll never eat all the fine dinner to be served at Tarpley.

Of course you're going to the Tarpley Volunteer Firemen Spring Barbecue at the Tarpley Community Center! You wouldn't dare miss an old time country get-together like this promises to be!

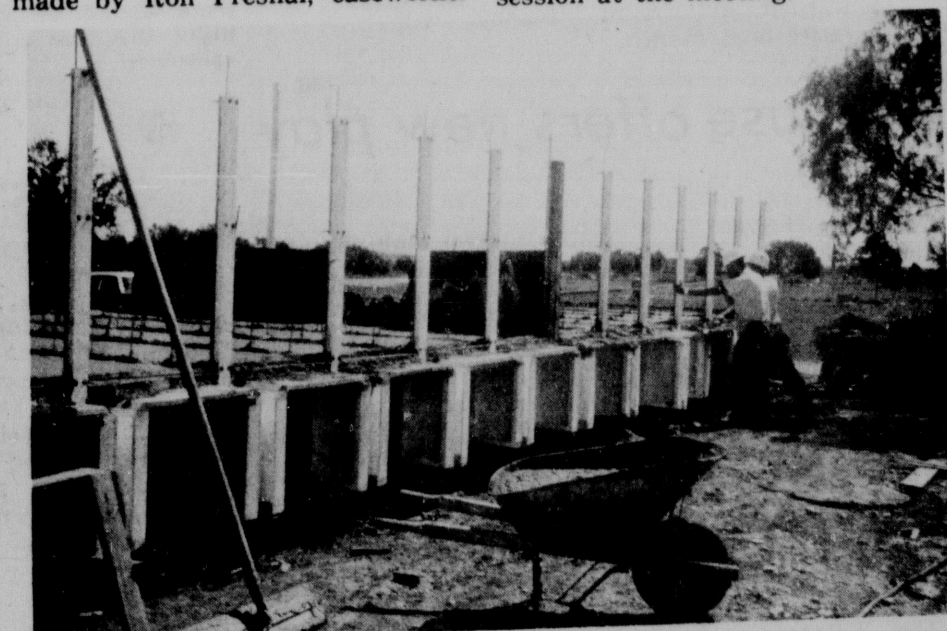

Serving starts at noon and adult plates are only \$1.50 while the children can eat for \$1.00.

One thing you can rest assured over while you are enjoying the meal: the proceeds from this event will go toward a good cause, helping provide equipment for the Tarpley Volunteer Fire Department.

Brucellosis meeting set

There will be a meeting for discussion of Brucellosis in livestock at the Hondo High School in the Audio Visual room on Wednesday, May 22, at 8 p.m.

Charlie Jungmichel and Dr. John Wilbur of the Texas Animal Health Commission in Austin will be present to discuss the program and conduct a question and answer session at the meeting.

TAKING SHAPE ... out at Oakwood Cemetery is this mausoleum, which will eventually house up to 156 vaults. Each vault can hold two persons. Builder, GMA Corporation of Louisiana, says the

project will be finished in about two months. Life expectancy of the concrete-and-steel structure is estimated at 1,500 years. Bottom row of vaults is set; two more rows will be placed atop this one.

City Council is challenged on past park promises

Tuesday night's regular meeting of the City Council was marked by three presentations from Hondo citizens and groups.

A group of about 15 Brown Berets of the Hondo chapter asked

the Council why nothing had been done to date regarding improvements to the Barrio park. Last August, Council had agreed to construct a backstop, dugouts, and a concrete drain structure around a

drinking fountain, in addition to placing trash barrels about the park.

No action has been taken since that time.

Citing delays due to construction

of flood-prevention measures in East Hondo and the work done on the City Park (which Mayor Barry said is federally funded and had been on the books two years), Barry directed City Manager Fritz Leinweber to make the improvements as soon as possible.

Leinweber said they will be in place "when the kids get out of school, on May 29."

Brown Beret spokesman Lucio Torrez asked that the City also build men's and women's restrooms at the park. The Council agreed that no action could be taken until the cost of restrooms could be studied. Pressed for a date of an answer, Mayor Barry refused to set a definite time to decide on the issue, but said only that the Council would take it under serious study.

Additionally, the group asked that monkey bars or other playground equipment be installed at the park. A letter handed to Mayor Barry said the group wants an answer at the next regular Council meeting.

Councilman G. E. (Pete) Pedroza came under criticism by the group for not being more active in supporting their requests. Discussion along those lines was finally called to a halt by the Mayor, and the meeting continued.

CLEANUP

Answering a petition which asked that he clean up his property in the south part of Hondo, Donald Muennink appeared before the Council.

Muennink said he has not removed the debris of his burned home because of a dispute with his insurance company over its investigative records. He also mentioned a long-standing tax disagreement with the City. No action was taken on the matter.

AIRFIELD

Fred Johnson, representing Gary Aircraft, brought to the Council's attention several sizable repair projects that are needed at the Gary facility.

Roofs, windows and walls of several of the airfield buildings are deteriorating rapidly, said Johnson, and failure to repair them could result in Gary losing an important government contract.

Again, City Manager Fritz Leinweber was dispatched to either have City repair crews do the needed work, or to hire commercial contractors.

STREETS

Street Commissioner Lloyd Hermes outlined a massive paving and sealcoating project which would renew all streets from 15th to 18th streets inclusive, between Avenue M and U.

Also included in the sealcoating would be several airfield streets. Paving of Avenues S and T was also recommended, despite the fact that a few of the residents still have not agreed to pay for it. Total distance involved would be 7 miles of sealcoat, 2 miles of paving. Cost estimate was \$38,000.

The Council decided not to approve the project until after the Budget can be studied. Possibly some federal revenue sharing funds could be used for it.

WATER

Elmer Faseler reported that elevations for a new water line are so close that City personnel may not be accurate enough in their measure. The Council moved to hire an engineer to shoot elevations, and City workers could lay the line.

A fire protection water line to the Hillside addition south of Highway 90 West near Castro Avenue was approved by the Council.

BUILDING INSPECTOR

Henry Flory, Hondo Building Inspector, asked that the City amend the Building Code to allow 24"x24" concrete foundation beams for residences, rather than the 30" beams now required. This exceeds normal requirements, said Flory, and is unnecessarily high. Council acted to amend the Code as requested.

POLICE

Police Chief Jim Shofner formally submitted his letter of resignation to the Council. It was approved, with a letter of commendation by the Council. No action has yet been taken to fill the vacant Chief's spot.

BUDGET

May 21 was set as the date to discuss the new budget for the City of Hondo, and to set the tax rate for next year.

In personnel matters, the Council voted to reappoint Paul Bybee, Bud Johnson and Franklin Wiemers to the Planning and Zoning Board, and to hire new employees Nancy Corum and Alice Bohlen.

Eighth grade students see changes coming up in fall

Eighth grade students will probably feel like grown ups this next school year with the Tuesday night approval by the school board that that grade to be conducted at

the high school.

"This move," said Supt. Kenneth Flory, "was brought about by the expansion of our Special Education classes, which will cause an

overcrowded condition at McDowell Middle School."

Special Education at Hondo has been authorized to expand by adding four new instructors, one diagnostician and one special education counselor.

"We realized this expansion was coming several years ago," Flory said. "So when we expanded the high school by eight new classrooms it was with the anticipation of this move. We have the room for this class in high school."

Flory explained, however, that this does not mean the eighth grade will become part of the high school program. "They will continue to take the same course they took at McDowell. But they will follow the same schedules as the high school."

Letters from the mailbox

May 11, 1974
Dear Mr. Lawrence,
In reading your column in Hondo paper this week, I noticed the article about the little town of Montel and was very interested. I wonder if the small church with the pretty window was the "Church of the Ascension"? If so, this church was established by a great aunt of mine, Mrs. Joe Follett, who owned a ranch nearby. I believe at Laguna. The window was given by John Jacob Astor of New York. He and General Balor were close friends. General Baylor and my uncle and aunt, Mr. and Mrs. Joe Follett, were good close friends. The window, they

say, is beautiful and it is the Ascension of Christ. In an old letter I have from another aunt, this is described. She mentions a Mrs. Sharpless of Laguna -- a Post Mistress there over 30 years. Also a Georgia Clark Coleman must have attended the church and a Mrs. Shawcross. She says the church was ten miles beyond Laguna on the Good Luck Ranch (which was the ranch of Mr. and Mrs. Joe Follett).

I have been there many times and love that part of Texas, and I still intend to go and search for my aunt's Ranch Good Luck and visit the little church, all near Montell. Enjoy my subscription to the Hondo Herald, especially your column and all other articles. Thank you. If you have any other information, I would love to hear from you.

Mrs. Dudley Adams
Dear Mr. Lawrence:
The huge majority of southern Texas taxpayers--about three million--filed their returns correctly and on time. Their extensive use of the new toll free telephone service was especially gratifying. The help we received from you and your staffs at the Anvil Herald, Sabinal Times and Waelder Home Paper in getting information to taxpayers in these areas was a direct contribution to a successful 1974 filing period. We're especially thankful for your use of our weekly question and answer column, "Taxpayers Ask IRS." We appreciate your splendid cooperation. Sincerely,
Richard J. Stakem Jr.
District Director

more about... Eighth Graders

graduate of San Marcos High School, North Texas State University and is completing his Master's degree work at Notre Dame University. He has served as an assistant director in the San Marcos system for two years.

Two additional elementary teachers also were hired. They are Shirley Pena and Aline Brindamour.

Resignations were accepted from Alice Stegall, Nancy Boone and Leila Kendala.

Low bid for the school system's workman compensation insurance went to Brucks Insurance Agency.

Board members also adopted the school calendar for the 1974-75 school year and a policy on special education. Both will be published next week.

Gallegos sent to Ft. Hood

FT. HOOD -- Army Private Randy G. Gallegos, son of Mr. and Mrs. Salome Gallegos, 211 Jamison Dr., Devine, is assigned to the 1st Cavalry Division at Ft. Hood.

Private Gallegos is a mechanic in Headquarters Company, 1st Battalion, 81st Armor at the Fort.

An old European custom has it that if women draw a plowshare around the village at night, that will drive away epidemics!

PEACEFUL PARK SCENE . . . Despite the hot controversy about the chili cookoff this scene at Hondo City Park on Museum Day seems peaceful and serene enough. However, the only reason for printing the picture is to show how well the City Park fits into

atmosphere of an outdoor event. It is an asset that time and again has proved valuable to Hondoans and will continue to do so in the future. [Photo by Ted Mendoza]

RETIREMENT GIFT . . . Dr. and Mrs. Joe H. Wilson display the gift they received on Dr. Wilson's retirement from Southwest Texas State University last month. He was with the university for 26 years. [Photo Courtesy San Marcos Record]

Hondo native honored at Southwest Texas State U.

Over on the hill-studded campus of Southwest Texas State University they think a lot of an ex-Hondo boy, Dr. Joe Wilson, and they showed him just how much at a retirement party last month.

Following the theme of Joe Wilson was born

"The Joe Wilson Years", the retirement dinner honored ex-Hondo High graduate for 26 years at the university. He served as vice president for academic affairs from 1965 to the time of his retirement.

and raised in Hondo, the son of the late Mr. and Mrs. Isaac Wilson. His sister, Mrs. Earl Lacy, still lives here.

After leaving Hondo, Dr. Wilson graduated from Baylor University and, devoted nearly 18 years to the public schools of South Texas as a classroom teacher, principal and superintendent.

He joined the faculty at Southwest Texas in 1948 where he served as professor of education, supervised student teachers in the public schools, and was registrar from 1955 to 1959 when he became academic dean. He was promoted to vice president in 1965.

Donations total \$490

Donations for a pulmonary function laboratory for Medina Memorial Hospital have reached \$490 as of Tuesday afternoon, reports Hospital administrator J. Melvin Finger.

Total cost of establishing the laboratory is expected to reach about \$2,000, but if donations continue to pour in the equipment can be ordered earlier than would otherwise be possible.

The laboratory would aid area physicians in treating and diagnosing chronic obstructive lung diseases such as bronchitis, emphysema and asthma.

NOT FOR SALE . . . This handsome young fellow was not for sale at Museum Day art show Saturday although he is standing in front of an attractive booth. He is 18-month-old Lorenzo Martinez, the son of Mr. and Mrs. Jesus Martinez of Laredo. Lorenzo also is the grandson of Mr. and Mrs. Jesus L. Dominguez and Mr. and Mrs. Bense Martinez of Hondo. [Photo by Michael Mendoza]

Castroville Regional Park sets opening

The park to remain in good repair and continue to be as beautiful as it is at present.

There will be a barbecue dinner served that day from 11 a.m. to 2 p.m. at the park. Advance dinner tickets are being sold by chamber members, or they can be purchased at Rihn's Liquor Store, Sammy's Drive-Inn Cafe, Schott's

The opening ceremonies will begin promptly at 2 p.m. and will be attended by many local state and federal dignitaries. The Medina Valley (School) Marching Band will assist in the ceremonies.

And from 2:30 - 7 p.m. the park will blossom into activity. There will be games, German and western music for free dancing

booths, plus plenty of cold beer and other refreshments. This will be a celebration for all the family.

"The park is a beautiful facility, set up for the use of all the people of the surrounding communities," notes Jim May, one of those planning the June 2nd event. "This is a regional project, and should be well attended and supported by all of our communities."

Chamber Corner

Hondo has received an invitation from Jourdan Community Chamber of Commerce to join them in their annual Jourdan Days Celebration with a beauty contest Thursday, June 6, and carnival attractions, games, arts and crafts, and more on June 7.

That night there will be a dance. Saturday, June 8, will be the parade, barbecue, fiddler's contest, Lackland AFB dog demonstration and a street dance.

FARMERS AND RANCHERS -- The Chamber has no hunting leases listed at this time and we have many, many requests for large and small leases. Please bring in your leases. We would like to help you.

Mr. and Mrs. Shows from Shows Nursery and Landscaping, a Chamber member, brought us a beautiful hanging plant. We thank you, Mr. and Mrs. Shows.

R. C. Blackwell called to say his niece from Hackensack, New York saw our Hondo sign writeup way up there. She sent him the clipping.

Dear Sirs: Am enclosing a stamped envelope. Would you please tell me how often there is a dance at "Quehe" (?) hall.

We have been told that it is Saturday nite - but do not know if it is every week or not.

We would like to know time and location. Thank you very much. Wilma Mayners 512 Harper Street Kerrville, Texas 78028

Dear Mrs. Porter: I was very happy to receive your nice letter dated April the 25th, and thanks a lot for the very attractive post cards. I am placing one of the cards in my record book where I keep Letters-Photos & Addresses.

When I was a youngster, I use to drive a model A Ford Coupe through Hondo, at least once a month, on my way to Del Rio. I was raised in San Antonio, born in Elgin, Texas, January 31, 1913. My sister, born March 4th, 1915, was two and I was four years old when my parents moved from Elgin to San Antonio. My father ran a wholesale business for the Coleman Lamp & Stove Company in San Antonio from 1918 to 1940. My father hired one salesman and two shipping clerks and a bookkeeper. My father and the salesman were on the road three weeks out of each month. Their job was to supply retailers in all towns throughout the southern, western and eastern part of Texas.

The factory made gasoline lanterns, table lamps, gasoline cook ranges and camp stoves and other products. The factory was located in Wichita, Kan.

During the years my father was in the wholesale business, I had a chance to make three sales trips a month, but the depression

Poerner withoods endorsement

Representative John H. Poerner has authorized the Anvil Herald to release the following announcement:

"Phone calls from my supporters and those of Senator Wolff and Bob Krueger have completely occupied my schedule for the past three days. It has been most difficult for me to devote my time to the Constitutional Convention -- a position I have taken so seriously that my presence at the convention obviously hampered my support at the polls.

"I have considered the endorsement question of either Senator Wolff or Mr. Krueger for the Democratic Nomination of the 21st Congressional District, and I have decided that I will not endorse anyone. The interested electors should individually decide this question at the June 1st run-off."

hit in 1929. I graduated from high school in 1933. It wasn't easy to get a job in the early 30's, so I too joined the two shipping clerks my father hired to help keep the business going.

Madam, I didn't know whether to address you a Miss or Mrs., so forgive me if I addressed you wrong.

Sincerely,
Roy C. Willis
622 N. Jefferson St.
West Frankfort, Ill.
62896

P.S. And thanks again for sending the attractive post cards. I believe I saw one of the first signs when I drove through Hondo in 1933, but I didn't drive through like Hell. Lillian, do you have the address of the business that made up the attractive post cards for you or the Chamber? The reason I asked, there are several business people who have asked me about post cards showing the picture of the bicycle that went to D.C.

Dear Mrs. Porter: We would like to thank you for your trouble, to date and apologize for the absence of an address on our letter. We will keep in touch with you in the future if we need any additional information.

Thank you.

Playhouse offers new play

"Catch Me If You Can," a cheerful game of homicide and red herrings, opened this week at the Hacienda Dinner Playhouse. Under the able direction of William P. (Bill) Putch the audience has an evening of polished lines and skillfully timed action.

Putch has for 21 seasons been the Producer-Director of the Totempole Playhouse in Fayetteville, Pa. Last summer he directed his 200th production. During the winter he resides in Los Angeles

with his two children and his famous wife who holds down a starring berth on TV's "All In The Family". --her name Jean Stapleton.

In this delightful comedy blended with suspense are five outstanding performers. Ronald Knight, who is no stranger to the Hacienda audiences, will be seen as the handsome but confused husband. John Moskoff, Laura MacFarlane, Nick Masi Jr. and Robert Reyes complete the all professional Equity cast.

For reservations call 694-3521.

Grand opening ceremonies for the new Castroville Regional Park have been set for Sunday, June 2. The celebration will be sponsored by the park board and the Castroville Chamber members and their wives or husbands.

The day has a dual purpose, one being the park opening ceremonies, and the other a fund-raising event to help set up an operational fund for the park. This fund will enable

and sausage, chalupa, taco and many other foods

Letters from the mailbox

Dear Mr. Lawrence,

In reading your column in Hondo paper this week, I noticed the article about the little town of Montel and was very interested.

I wonder if the small church with the pretty window was the "Church of the Ascension"? If so, this church was established by a great aunt of mine, Mrs. Joe Follett, who owned a ranch nearby. I believe at Laguna. The window was given by John Jacob Astor of New York. He and General Balor were close friends. General Balor and my uncle and aunt, Mr. and Mrs. Joe Follett, were good close friends. The window, they

say, is beautiful and it is the Ascension of Christ.

In an old letter I have from another aunt, this is described. She mentions a Mrs. Sharpless of Laguna -- a Post Mistress there over 30 years.

Also a Georgia Clark Coleman must have attended the church and a Mrs. Shawcross.

She says the church was ten miles beyond Laguna on the Good Luck Ranch (which was the ranch of Mr. and Mrs. Joe Follett).

My son, Richard Adams, lives in Hondo, teaches in senior high school. He and wife, Genevieve, and 7-year old son Mark live at 709 29th St. there and have enjoyed the 11 years they have

lived in Hondo.

I have been there many times and love that part of Texas, and I still intend to go and search for my aunt's Ranch Good Luck and visit the little church, all near Montell.

Enjoy my subscription to the Hondo Herald, especially your column and all other articles.

Thank you. If you have any other information, I would love to hear from you.

Mrs. Dudley Adams

Dear Mr. Lawrence:

The huge majority of southern Texas taxpayers--about three million--filed their returns correctly and on time. Their extensive use of the new toll free telephone service was especially gratifying.

The help we received from you and your staffs at the Anvil Herald, Sabinal Times and Waelder Home Paper in getting information to taxpayers in these areas was a direct contribution to a successful 1974 filing period. We're especially thankful for your use of our weekly question and answer column, "Taxpayers Ask IRS."

We appreciate your splendid cooperation.

Sincerely,
Richard J. Stakem Jr.
District Director

graduate of San Marcos High School, North Texas State University and is completing his Master's degree work at Notre Dame University. He has served as an assistant director in the San Marcos system for two years.

Two additional elementary teachers also were hired. They are Shirley Pena and Aline Brindamour.

Resignations were accepted from Alice Stegall, Nancy Boone and Leila Kendala.

Low bid for the school system's workman compensation insurance went to Brucks Insurance Agency.

Board members also adopted the school calendar for the 1974-75 school year and a policy on special education. Both will be published next week.

Gallegos sent to Ft. Hood

FT. HOOD -- Army Private Randy G. Gallegos, son of Mr. and Mrs. Salome Gallegos, 211 Jamison Dr., Devine, is assigned to the 1st Cavalry Division at Ft. Hood.

Private Gallegos is a mechanic in Headquarters Company, 1st Battalion, 81st Armor at the Fort.

An old European custom has it that if women draw a plowshare around the village at night, that will drive away epidemics!

PEACEFUL PARK SCENE . . . Despite the hot controversy about the chili cookoff this scene at Hondo City Park on Museum Day seems peaceful and serene enough. However, the only reason for printing the picture is to show how well the City Park fits into

atmosphere of an outdoor event. It is an asset that time and again has proved valuable to Hondoans and will continue to do so in the future. [Photo by Ted Mendoza]

RETIREMENT GIFT . . . Dr. and Mrs. Joe H. Wilson display the gift they received on Dr. Wilson's retirement from Southwest Texas State University last month. He was with the university for 26 years. [Photo Courtesy San Marcos Record]

Hondo native honored at Southwest Texas State U.

Over on the hill-studded campus of Southwest Texas State University they think a lot of an ex-Hondo boy. Dr. Joe Wilson, and they showed him just how much at a retirement party last month.

Following the theme of

"The Joe Wilson Years", the retirement dinner honored ex-Hondo High graduate for 26 years at the university. He served as vice president for academic affairs from 1965 to the time of his retirement.

Joe Wilson was born

and raised in Hondo, the son of the late Mr. and Mrs. Isaac Wilson. His sister, Mrs. Earl Lacy, still lives here.

After leaving Hondo, Dr. Wilson graduated from Baylor University and devoted nearly 18 years to the public schools of South Texas as a classroom teacher, principal and superintendent.

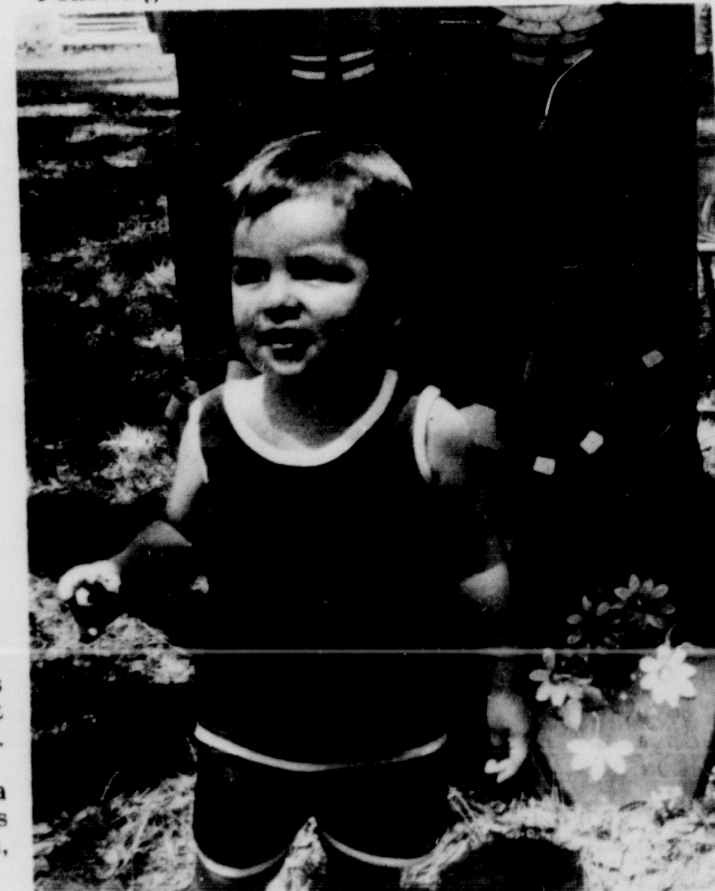

He joined the faculty at Southwest Texas in 1948 where he served as professor of education, supervised student teachers in the public schools, and was registrar from 1955 to 1959 when he became academic dean. He was promoted to vice president in 1965.

Donations total \$490

Donations for a pulmonary function laboratory for Medina Memorial Hospital have reached \$490 as of Tuesday afternoon, reports Hospital administrator J. Melvin Finger.

Total cost of establishing the laboratory is expected to reach about \$2,000, but if donations continue to pour in the equipment can be ordered earlier than would otherwise be possible.

The laboratory would aid area physicians in treating and diagnosing chronic obstructive lung diseases such as bronchitis, emphysema and asthma.

How do you know?

A time question is being asked in more than 40 million homes this May. It appears on a little leaflet being distributed by American Cancer Society volunteers:

"If you don't know Cancer's Warning Signals, how do you know you haven't got one?"

Time is often the most important defense the individual has against cancer. If you catch cancer in time, the doctors tell us, it is one of the most curable of the major diseases.

One way of enlisting time on your side is to heed the warnings that may mean cancer. In most cases, a warning signal

does not mean cancer, but only a doctor can tell after a thorough examination. Here are the Seven Warning Signals:

- Change in bowel or bladder habits.
- A sore that doesn't heal.
- Unusual bleeding or discharge.
- Thickening or lump in breast or elsewhere.
- Indigestion or difficulty in swallowing.
- Obvious change in wart or mole.

Nagging cough, or hoarseness.

If you have a warning signal, see your doctor.

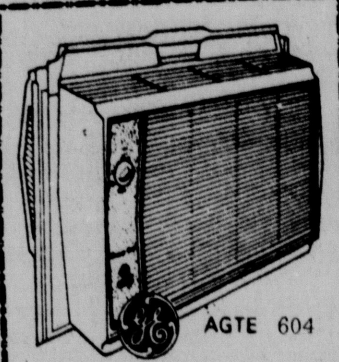

Sigma Tau with the help of local church youth will

conduct this year's door-to-door Cancer Crusade the week of May 26-31st. Organization meeting will be Monday, May 20th, at 7:30 at the Church of Christ.

LET'S TALK ABOUT ENERGY CONSUMPTION

Nationwide attention has recently been focused on the use and conservation of our nation's natural resources. Many theoretical studies have been conducted and from some of these studies have come claims that electric utilities are "wasting" natural gas by using it to produce electricity.

Oklahoma Gas and Electric Company has always believed that the efficiency of gas-burning equipment in the company's power plants is about the same as gas-burning equipment in homes. This led to the belief that the consumption of raw energy (natural gas) would be about the same in either a total electric home or a home using a combination of gas and electricity.

A recent metered study conducted in the eastern United States confirmed that belief and, in fact, showed that the total electric buildings consumed significantly less raw energy per square foot than the combination-fueled buildings. Pretty strong evidence! However, OG&E felt that an exhaustive study of the local situation, backed by extensive metered data, would be even more beneficial to potential home builders and home buyers in their service area. So, the study was begun.

The study itself was not complicated. A total of 310 typical homes in the OG&E service area were selected at random. Some of the homes had been converted from combination fuel to total electric and in the process had received additional insulation. Others used gas for all possible applications, including air conditioning. Some were built as total electric homes.

Gas and electricity bills were compiled for the two-year period covered by the study. The bills not only showed cost of service, but also the consumption of electricity in kilowatt hours (KWH) and gas in thousands of cubic feet (MCF).

Through simple calculations, it was relatively easy to arrive at the raw energy consumption for the different types of homes. THE TOTAL ELECTRIC HOME USES ABOUT THE SAME (AND IN SOME CASES LESS) RAW ENERGY PER SQUARE FOOT THAN "COMBINATION" FUELED HOMES. WHEN THE COMBINATION HOME HAS GAS AIR CONDITIONING THE TOTAL ELECTRIC HOME USES SIGNIFICANTLY LESS RAW ENERGY PER SQUARE FOOT. CONCLUSION: BURNING NATURAL GAS TO PRODUCE ELECTRICITY IS NOT A WASTEFUL USE OF OUR NATURAL RESOURCES. QUITE THE CONTRARY. IT IS AN EFFICIENT AND DESIRABLE USE OF NATURAL GAS.

Courtesy of Oklahoma Gas & Electric Co.

MEDINA ELECTRIC CO-OP

reminds you that our energy needs of the future depend on its wise use today.

How do you know?

A time question is being asked in more than 40 million homes this May. It appears on a little leaflet being distributed by American Cancer Society volunteers:

"If you don't know Cancer's Warning Signals, how do you know you haven't got one?"

Time is often the most important defense the individual has against cancer. If you catch cancer in time, the doctors tell us, it is one of the most curable of the major diseases.

One way of enlisting time on your side is to heed the warnings that may mean cancer. In most cases, a warning signal

does not mean cancer, but only a doctor can tell after a thorough examination. Here are the Seven Warning Signals:

- Change in bowel or bladder habits.
- A sore that doesn't heal.
- Unusual bleeding or discharge.
- Thickening or lump in breast or elsewhere.
- Indigestion or difficulty in swallowing.
- Obvious change in wart or mole.

Nagging cough, or hoarseness.

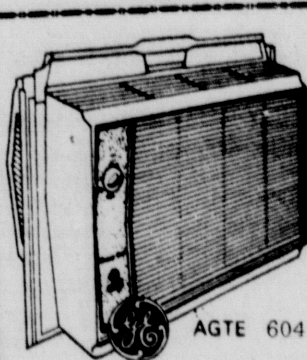

If you have a warning signal, see your doctor. Sigma Tau with the help of local church youth will

conduct this year's door-to-door Cancer Crusade the week of May 26-31st. Organization meeting will be Monday, May 20th, at 7:30 at the Church of Christ.

Pvt. Fellers to Ft. Hood

FT. HOOD -- Army Private Milton D. Fellers, son of Mrs. Esther Fellers, Devine, is assigned to the 1st Cavalry Division at Ft.

Hood. Private Fellers is a maintenance crewman in Company C, 1st Battalion, 12th Cavalry at the Fort.

LET'S TALK ABOUT ENERGY CONSUMPTION

Nationwide attention has recently been focused on the use and conservation of our nation's natural resources. Many theoretical studies have been conducted and from some of these studies have come claims that electric utilities are "wasting" natural gas by using it to produce electricity.

Oklahoma Gas and Electric Company has always believed that the efficiency of gas-burning equipment in the company's power plants is about the same as gas-burning equipment in homes. This led to the belief that the consumption of raw energy (natural gas) would be about the same in either a total electric home or a home using a combination of gas and electricity.

A recent metered study conducted in the eastern United States confirmed that belief and, in fact, showed that the total electric buildings consumed significantly less raw energy per square foot than the combination-fueled buildings. Pretty strong evidence! However, OG&E felt that an exhaustive study of the local situation, backed by extensive metered data, would be even more beneficial to potential home builders and home buyers in their service area. So, the study was begun.

The study itself was not complicated. A total of 310 typical homes in the OG&E service area were selected at random. Some of the homes had been converted from combination fuel to total electric and in the process had received additional insulation. Others used gas for all possible applications, including air conditioning. Some were built as total electric homes.

Gas and electricity bills were compiled for the two-year period covered by the study. The bills not only showed cost of service, but also the consumption of electricity in kilowatt hours (KWH) and gas in thousands of cubic feet (MCF).

Through simple calculations, it was relatively easy to arrive at the raw energy consumption for the different types of homes. THE TOTAL ELECTRIC HOME USES ABOUT THE SAME (AND IN SOME CASES LESS) RAW ENERGY PER SQUARE FOOT THAN "COMBINATION" FUELED HOMES. WHEN THE COMBINATION HOME HAS GAS AIR CONDITIONING THE TOTAL ELECTRIC HOME USES SIGNIFICANTLY LESS RAW ENERGY PER SQUARE FOOT. CONCLUSION: BURNING NATURAL GAS TO PRODUCE ELECTRICITY IS NOT A WASTEFUL USE OF OUR NATURAL RESOURCES. QUITE THE CONTRARY. IT IS AN EFFICIENT AND DESIRABLE USE OF NATURAL GAS.

Courtesy of Oklahoma Gas & Electric Co.

MEDINA ELECTRIC CO-OP

reminds you that our energy needs of the future depend on its wise use today.

Karla Wiemers graduates

BEAUMONT -- Karla Sue Wiemers of Hondo is among 795 provisional candidates for degrees at the 22nd annual Spring commencement of Lamar University on Saturday, May 18.

The candidate list includes two doctorates, 70 students seeking master's degrees, 556 anticipating bachelor's degrees, and 167 completing requirements for the Associate of Applied Science.

Dr. John E. Gray, Lamar president, will address the graduates at the exercise, which will be

held at 7:30 p.m. in Cardinal Stadium.

In addition to the degrees, Lamar will award certificates of completion to a total of 57 students in

one-year programs of study.

Karla is a candidate for the A.A.S. degree in dental hygiene.

Music recital to be presented

Mrs. R. A. Rodgers is presenting her music pupils in a recital Sunday afternoon, May 19th, at 2:30 in the Audio Visual Room at the High School.

The program is varied

with piano solos and duets, guitar and banjo vocal numbers, and guitar duets and solos.

Everyone is cordially invited.

Iota Upsilon meets

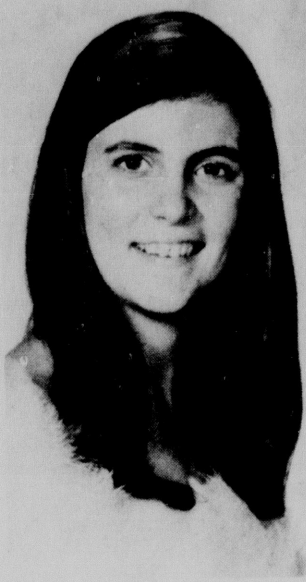

Iota Upsilon Chapter of Epsilon Sigma Alpha met in the home of Mrs. Bill White on Tuesday, May 14, at 8 o'clock. Mrs. Dolores Wilson was co-hostess.

Mrs. Bill Young, Mrs. Jimmy Gray and Mrs. Bill White gave the program "I'd Like to Teach the World to Sing."

During the business

meeting conducted by president Mrs. Dolores Wilson, Mrs. Young reported on the Museum Day booth. She stated that the two chapters of ESA netted \$190 for the Museum.

Secret sisters were revealed after which delicious refreshments were served. Our next meeting will be in September.

Marcy Nan Garrison

Engagement Announced

An August 3 wedding is planned by Miss Marcy Nan Garrison and Thomas Joseph Rothe of D'Hanis.

Their engagement is announced by her parents, Mr. and Mrs. Marcellus R. Garrison. The prospective groom is the son of Mr. and Mrs. Joseph W. Rothe of D'Hanis.

A graduate of Hondo High School, Miss Garrison will receive her Bachelor of Science degree in Elementary education from Southwest Texas State University where she was a member of Chi Omega, Kappa Delta Pi and Sigma Tau Delta.

Mr. Rothe graduated from D'Hanis High School. He received his Bachelor of Science degree in agricultural economics from Texas A&M University where he was a distinguished student and a member of Alpha Zeta.

Miss Aelvoet runner up

Mariette Aelvoet, daughter of Mr. and Mrs. Rene Aelvoet of Hondo, was named one of three runners-up in the Heart of the Border Junior Miss Pageant held Saturday at Carrizo Springs.

Miss Aelvoet also won the scholastic award in the competition.

Crowned as winner of the contest was Patricia Fisher of Eagle Pass. She was crowned by Carol Chumchal, Gulf Coast Junior Miss, as this was the first Heart of the Border pageant.

IT'S GOOD FOR YOU

by Bill Butler, RPh.

Get off those high platform shoes! Even if you don't trip and have an accident, orthopedists say prolonged walking on blocky stilts can deform feet.

Studies now indicate that stutters have a real, physical predisposition to the ailment; the cause is not in the lips or tongue, but the larynx.

A Connecticut doctor has developed a urine test to determine whether a patient's chest pains are caused by heart attack. Helps start the doctor on the correct therapy more quickly.

Newest therapy for high blood pressure? Plain old-fashioned weight loss. According to a professor at Yale School of Medicine, anyone who is 10 per cent overweight can develop hypertension.

Simple fingertip pressure has been found to be the best way to stop a wound from bleeding. Pressing gently right over the spot even works against bleeding from medium-size arteries.

Is your home set up for quick action in emergencies? Stock up on bandages and antiseptics at DAN'S DRUG, Hwy. 90 West, Hondo, 426-3305 and be ready with first aid.

D'Hanis News

Relatives and friends attended the rosary service for Mrs. Henry (Edina) Lutz on the evening of April 28 and on Monday attended the funeral mass at St. Agnes Church and burial in San Fernando Cemetery, San Antonio.

Gail Rothe and Betsy Herrmann are away on a ten-day visit to Mexico. At Guadalupe they are the guests of Betsy's Texas Tech room mate, Robin White, and her family, Rev. and Mrs. Wayne White. Rev. White is head Evangelist for the Baptist Mission in Mexico. The girls traveled by bus to Mexico and will return by air after touring parts of Mexico including Mexico City.

Mrs. Adella Brod, who is making her home in a Kerrville nursing home, visited her sister, Mrs. Frank Surovic, recently. Other friends visited with Mrs. Brod at her sister's home. She was accompanied by her daughter and husband, Mr. and Mrs. O. J. Wheat and August Nester who makes his home with his daughter in Kerrville. They visited in Uvalde also.

Mrs. Tom Finger and Sally spent a recent weekend in Kingsbury where they visited Mr. and Mrs. Steve Turner on the occasion of Molly's birthday May 4th.

Mr. and Mrs. Louis Lutz and Mrs. John Rieber were weekend guests of the Louis E. Lutz family in San Antonio, and while there attended the 1st Communion of Lora Marie Lutz at St. Matthews Catholic Church on Sunday. On the previous Sunday they attended the church festival at which Mr. Louis Lutz was the winner of a \$100 Savings Bond.

Fred Lutz was in San

Antonio recently visiting with Mr. and Mrs. Elmer Lutz.

The Earl Marquart family of San Antonio were weekend guests of Mrs. Raymond Wolff and on Mother's Day were joined by the Harlan Wolffs of Hondo and the Ray Wolffs and Robert Rothe families.

Mr. and Mrs. Lawrence Carle, Terry and Mike, Mrs. Louis Carle and Shelly Ney spent Mother's Day in Pearsall as the guests of the David McGehees.

Sp/4 Scott on leave

Sp/4 David A. Scott arrived May 6 from Ft. Buchanan, Puerto Rico, where he has been stationed for the past 15 months. He is spending his 15-day leave with his mother, Mrs. Pauline Scott, and his sister, Marilyn, and visiting other relatives and friends.

On May 21, David will leave for Fort Eustees, Va. where he will attend non commissioned officers educational school in the transportation field. Upon completion of the schooling July 25, he will return to Ft. Buchanan, Puerto Rico.

All she wrote

by Edna McDade

As far as politics is concerned, the time of the slinging of words has not only come but appears to be still with us. Not still, exactly. But with us, definitely. Charges and counter-charges continue to fly through the air and in print. Letting the dead past bury its dead is not among the better points of politics.

All of which leads up to one of my favorite essays, dating way back yonder to the late 17th or mid-18th century. [I learned to read some time later.]

"The Art of Political Lying" is typical of Johnathan Swift's caustic style, although he is perhaps better known for his satirical "Gulliver's Travels."

Selected at random an taken out of context, here are a few of the essayist's observations which might apply to the same "art" as practiced today here, there, and yonder. [The quotations are my own selection and taken out of context.]

"Although the devil be the father of lies, he seems, like other great inventors, to have lost much of his reputation by the continual improvements that have been made upon him."

"Who first reduced lying to an art, and adapted it to politics, is not so clear from history, although I have made some diligent inquiries. . . . The poets tell us that after the giants were overthrown by the gods, the earth, in revenge, produced her last offspring, which was Fame."

" . . . I know a lie that now disturbs half the kingdom with its noise, of which, although too proud and great at present to own its parents, I can remember its whisperhood."

" . . . one essential point wherein a political liar differs from others of the faculty [is] that he ought to have but a short memory, which is necessary according to the various occasions with every hour of differing from himself and swearing to both sides of a contradiction, as he finds the persons disposed with whom he has to deal."

" . . . He never yet considered whether any proposition were true or false, but whether it were convenient for the present minute or company to affirm or deny it. . . ."

" . . . Falsehood flies, and truth comes limping after it, so that when men come to be undeceived, it is too late; the jest is over and the tale has had its effect like a man who has thought of a good repartee when the discourse is changed or the company parted; or, like a physician who has found out an infallible medicine after the patient is dead. . . ."

Although the essay is not long, there is much more and all of it equally applicable in today's "status quo" which I have heard defined as "Latin for the awful mess we're in."

Surely you'll find the essay on the shelves or our Hondo Library. Or, I promise you, Librarian Lottie Maw will find a way to get it for you, if you are interested.

WHEW! Sounds like I've quit column-izing and gone to editorial-style preaching. My apologies to any who might object.

Chewing gum is a much less sticky subject than politics. Here's what I recently read about the stuff that keeps so many jaws in perpetual motion:

Many varieties of the goody that might lose its flavor on the bedpost overnight, might - or do - contain such jawbreaker ingredients as polyethylene, polyvinyl acetate, chicle from the latex of the sapodilla tree, to say nothing of such unsavory-sounding stuff as massanranduba balata and gutta hang kang.

If, regardless, you still "gutta" hankering for gum, just "hang-kang" on there. . . .

"ADULT EDUCATION COMING" was an encouraging headline in the May 2 Anvil Herald. Never too late to learn. Thing is to recognize opportunity when it knocks. Don't knock it!

I hope the Hondo-D'Hanis communities find enthusiastic response to the opportunities they are making available.

The picture of CONNIE KOCH [pardon, the future County Clerk Cornelia M. Koch] and the sidesaddle once used by her mother stirred an arthritic joint or two in my now long-ago memories of a happy girlhood, part of which was spent using the same model equipment to dash about [ever so modestly] in the mesquite and cactus of Webb County.

The dictionary defines [or describes] such a saddle as " . . . for women, in which the rider sits with both feet on the same side of the horse."

Good to have been on the same side, anyway.

In case well-intentioned Medina Countians might overlook the opportunity to contribute, here's a reminder "plug" for the pulmonary function laboratory planned for MM Hospital.

Sounds like a real opportunity to lend a hand -and a check- for a most worthy cause, or Chief of Staff Dr. W. S. Duty and Hospital Administrator Melvin Finger would not be having anything to do with it.

I like the customary Spanish expression of gratitude and appreciation which seems particularly applicable here: "Dios se lo pague!"

I hope the Hondo-D'Hanis communities find enthusiastic response to the opportunities they are making available.

The picture of CONNIE KOCH [pardon, the future County Clerk Cornelia M. Koch] and the sidesaddle once used by her mother stirred an arthritic joint or two in my now long-ago memories of a happy girlhood, part of which was spent using the same model equipment to dash about [ever so modestly] in the mesquite and cactus of Webb County.

The dictionary defines [or describes] such a saddle as "... for women, in which the rider sits with both feet on the same side of the horse."

Good to have been on the same side, anyway.

In case well-intentioned Medina Countians might overlook the opportunity to contribute, here's a reminder "plug" for the pulmonary function laboratory planned for MM Hospital.

Sounds like a real opportunity to lend a hand -and a check- for a most worthy cause, or Chief of Staff Dr. W. S. Duty and Hospital Administrator Melvin Finger would not be having anything to do with it.

I like the customary Spanish expression of gratitude and appreciation which seems particularly applicable here: "Dios se lo pagara!"

400 North Getty Street, Uvalde, Texas 78801

Wedding plans told

Mr. and Mrs. Joe M. Fohn wish to announce the engagement and approaching marriage of their daughter, Kathleen, to James Drew Reavis Jr., son of Mr. and Mrs. James Drew Reavis of Sabinal.

June 22nd has been set as a wedding date.

FOUR GENERATIONS . . . sit for a single picture as Mrs. Ellie Carrie Geuea [center] poses with her progeny. Mrs. Geuea, who will turn 90 October 19, is flanked by her daughter Mrs. Helen DeLong of Santee, California, granddaughter Mrs. Lynn Johnston of Ramona, California; and her little daughter Kari, 2, who was named for her great-grandmother. The families were together to celebrate Mother's Day Sunday.

Wayne Stein gets high A&M award

Wayne Franklin Stein, a sophomore at Texas A&M University has received a Thomas S. Gathright award for academic excellence.

The award is named in honor of A&M's first president, who served from 1876 to 1879.

The faculty of each college nominates one sophomore, one junior and one senior from among the top 15 students in each class for the Gathright award. The College of Veterinary Medicine selects one second-year and one third-year student.

Each nominee must have an overall grade-point ratio of at least 3.75 on TAMU's 4.0 system. Criteria for selection include academic promise, extracurricular activities and outside employment.

Stein, an agronomy

major, is the son of Mr. Harvey A. Stein, Rt. 1, Box 66, Hondo.

REGIONAL JR. HIGH BAND STUDENTS . . . from Hondo numbered 18 out of the 22 who entered tryouts in Sabinal. In front row are [l-r] Alice Martinez, Becky Mueller, Christine Villareal, Valerie Hannemann, Sonia Del Toro, David Schmidt, Ernest Escamilla, Gene Brawley, and Cheryl Cox. In back row are Richard Muennink, David Lynch, Bernie Owens, Teresa Rock, Nancy Pope, Laurie Hollmig, Rose Mary Rios, Nancy Martin and Debbie Young.

Herman Sons Dance Review

Hondo Hermann Sons School of Dance will present a Dance Review Saturday, May 18, at 8 p.m. at the Hondo High School gymnasium.

There will be no admission, however a free

will offering will be collected to present to the Medina County Association for Exceptional Children.

All the public is invited to attend.

D'Hanis Graduation

D'Hanis School Superintendent Roy Kile announces that Baccalaureate Services for D'Hanis High School will be held Sunday, May 19, at 8 p.m. in Holy Cross Church, D'Hanis.

Reverend Homer Wei-

mer, pastor of First United Methodist Church of Hondo, will deliver the sermon.

Commencement exercises will be held May 24 at 8 p.m. on the D'Hanis High School football field.

Bluebird News

MAY 8

Loving Blue Birds met at St. Paul's Lutheran Church for their regular weekly meeting.

Inez Ontiveros called the meeting to order and Yvonne Dittmar led in the Blue Bird wish. Dianna Lindeburg called the roll and Deena Schur took the dues.

Next year was discussed all about Camp Fire Girls and what fun can be had and what responsibilities would be expected of them. Moving on to Camp Fire Girls can be an experience well worth the effort and time spent on it. To learn the many aspects of life can be a rewarding part of growing with Camp Fire.

The Loving Blue Birds will have a Fly-Up Ceremony on Friday, May 17, at 7:30-8:30. The place has yet to be determined.

Sue Graff's Camp Fire Group will be there to welcome the new girls into the Fellowship of Camp Fire. We are to bring one dozen cookies per Blue Bird and Mrs. Wentz's Blue Bird Group will be responsible for the punch. All parents are expected to attend.

Invitations were made for the Fly-Up Ceremony. Rehearsal will be next week.

Those in attendance at the meeting were Lisa Schoellman, Sherry Marty, Esther DeLeon, Gina Haass, Mary Alice Mendoza, Deena Schur, Dianna Lindeburg, Yvonne Dittmar, Inez Ontiveros and Norma Carabajal.

Garden Club News

The Hondo Garden Club met on Friday, May 10, in the Hondo City Park with the club's outgoing officers serving as hostesses. The occasion was the club's annual May luncheon and installation of officers.

After the Invocation by Mrs. Wilkes Wiemers, a buffet salad luncheon was served. Mrs. George Cole, club president, presided at the business session that followed. All chairmen of committees made reports on the work done during the concluding year.

Mrs. Barnitz Carle, a past president of the club,

introduced Mrs. Mark Marshall, also a past president, who then installed the officers for 1974-75 in a charming and clever ceremony.

Installed were: Mrs. Doug Mogford, president; Mrs. O. M. Redus, first vice president; Mrs. Otto Mainz, second vice president; Mrs. Wilkes Wiemers, corresponding secretary; Mrs. Bruno Schweers, recording secretary; Mrs. Paul Bybee, treasurer; Mrs. Carl Trulson, historian; and Mrs. Hilmer Haegelin, parliamentarian.

The new president, Mrs. Mogford, addressed the group and gave her theme for the coming year. She also named the chairmen who will serve under her direction.

Mrs. Cole expressed her thanks and appreciation to the members of the club and extended her best wishes to the new president for the year ahead.

In attendance were 26 active and associate members and four guests.

--Mrs. W. L. Taylor

Medina HD Council meets

The Medina County Home Demonstration Council met April 29 in the Medina County Farm Bureau Conference room in Hondo. Nine members were present with the County Agent, Chairman Amy Nobbet opened the meeting with a prayer.

New officers elected for the coming year are: Chairman, Phyllis Muenink of Hondo; vice-chairman, Patsy Graff, Hondo; treasurer, Martina Saathoff, Hondo; reporter, Mary Newman, Devine; and secretary, Jo Ann Brown, Devine.

Marie Odom gave a brief talk on Committees,

"A Vital Part of Any Organization."

Patsy Graff, THDA Chairman, gave a report on the Dist. 13 meeting which was held March 27th in New Braunfels, at which Mrs. Louise Wolle was elected new District Director for the coming year.

Also, the \$100 4-H Scholarship was awarded to Sandy Aelvoet of Bexar County.

The State meeting will be held in Amarillo Sept. 17-18-19.

The next Council meeting will be in Devine, July 29, with Natalia as hostess.

I'M HERE

Mr. and Mrs. Danny Bendele of Natalia are the parents of a baby girl, Cheryl Lynn, born Saturday, May 4, 1974, at the Methodist Hospital in San Antonio. She weighed five pounds and 14 ounces and she was 18 1/2 inches long.

She is being welcomed by her sister, Terry, and her grandparents, Mr. and Mrs. Newton Lee, Natalia, Mr. and Mrs. George Bendele, Hondo, and her great-grandparents, Mrs. Agnes Curtis of Leisure Lodges, Devine, and Mr. Curtis of San Antonio.

Mr. and Mrs. Tony Irwin of San Antonio announce the birth of a son, Lee Rothe, born April 20, 1974 at the Methodist Hospital. He weighed six pounds and eight ounces.

Lee is being welcomed by grandparents, Mr. and Mrs. Howard Rothe of D'Hanis and Mr. and Mrs. Walter Irwin of San Antonio.

Great-grandmother is Mrs. Eric Rothe of D'Hanis.

Lee's mother is the former Betty Rothe of D'Hanis.

Hondo hosts baseball playoffs

Once again, Hondo High School's excellent athletic facilities have brought some good sports entertainment to the town. Three area schools, including Hondo of course, are using the Hondo High School baseball field for bi-district playoff games.

Last night the D'Hanis Cowboys met Bruni for a bi-district one-game playoff which was concluded too late to meet the Anvil Herald deadline.

This afternoon at 4:15, the Uvalde Coyotes will meet East Central High School for the third and final game of their playoff series.

After taking the first game at home, the Coyotes lost Tuesday to East Central on the Hornets' home field. This will be the only game played on neutral turf.

Tomorrow and possibly Saturday if necessary, the Owls will finish their playoff series against Hebbronville. Game time for the Friday game is 7:30 p.m. Saturday's game would begin at 3 p.m.

BANQUET

The 38th annual Hondo FFA Parent & Son Banquet was held in the McDowell Cafeteria May 2nd with over 170 parents, members and guests present.

This annual awards banquet gives special recognition to teams or individual boys.

The program was conducted by FFA members with Larry McWilliams serving as toastmaster.

The Welcome was given by Gene McAnelly, followed by the response given by Mr. Bob Nations. The invocation was given by Bobby Tschirhart.

The banquet meal was prepared by the McDowell Cafeteria workers and was served by 20 Hondo Future Homemakers.

The opening ceremony was presented by the

F.F.A. NEWS

chapter officers. Chapter Vice-President Tim Hardt gave recognition to everyone attending. Duane McCartney and Steve Hannemann gave a report on The Year in Review. A report on FFA Leadership Contest and other judging contests was given by Kirk Decker and Bill Bendele.

Gary Saathoff gave special recognition Certificates of Merit or FFA Foundation Award medals to more than 35 FFA boys. Billy Ward was presented as the Star Greenhand of the Hondo Chapter; Glenn Kriewald was declared as the Star Chapter Farmer of the Hondo Chapter and Gary Saathoff was presented the DeKalb Agricultural Achievement Award and medal.

DEGREE CHECKING

The Revaldina FFA District Degree and Awards Checking Committee met at Natalia on May 1st.

Purpose of this meeting is to look for errors in State Farmer, American Farmer, awards applications.

This is the meeting where different groups of firms are selected as district representative to compete for State honors on the Area VII level.

Tim Hardt will be trying for the Area VII FFA President's position for 1974-75 school year. Tim has served as District FFA president this past year and as vice president of the Hondo FFA Chapter. Tim is an applicant for the State Farmer degree; other State Farmer Degree applicants are Louis Schmidt, Gene McAnelly.

Larry McWilliams and Glenn Sturm.

Louis Schmidt will be competing for Star State Farmer of Area VII. If he is a winner on that level he will then compete on the State level this summer in San Antonio during the State FFA Convention.

Bill Ward was selected as the district winning Star Greenhand and will too be competing for representation of Area VII at the State convention. Steve Hannemann, Jeff Day and Allen Reed will be applying for Coop. Training Awards on the Area VII level in Fredericksburg.

The Hondo Anvil Herald and Radio Station KRME will be competing on the Area level for the support they have contributed to the local FFA chapter and to Vocational Agriculture of this area. Gene McAnelly is an applicant for the Santa Fe Scholarship Award on the Area level. Larry McWilliams will be applying for the Soil & Water Management award as well as the Crops Award at Fredericksburg.

Area FFA members who were recognized at the Area VII Convention held May 11 in Fredericksburg included boys from both Medina Valley and D'Hanis FFA Chapters.

Daniel McGrath of Medina Valley was named Area applicant for the Houston Livestock Show and Rodeo Scholarship.

Among the 120 Future Farmers from Area VII selected to receive the State Farmer Degree were Charles Hood, Douglas Kempf, Ronald Koch, Joseph Nester and Richard Rothe, all members of the D'Hanis FFA Chapter. Their award will be presented July 11-12 in San Antonio at the State Convention.

Hondo Future Farmers gathered several awards and entered competition for several high positions in the FFA at the Fredericksburg Area Convention held May 11.

Five Area members were selected from among the 5,000 members for the nation's highest degree in FFA work, the American Farmer Degree. Successful applicants will receive the honor in Kansas City, Mo. in October.

Among the five was Jimmy Mumme of Hondo. Applicants for the highest State honor, the State Farmer Degree, numbered 120 members.

Among these were Hondo members Tim Hardt, Gene McAnelly, Larry McWilliams, Alan Muennink, Louis Schmidt and Glenn Sturm. The award will be presented at the State Convention in San Antonio in July.

Louis Schmidt of Hondo received the Star Lone Star Farmer award for the Area. This was one of four special outstanding member awards presented.

Larry McWilliams was selected to receive the Soil, Water and Air Management Award sponsored by the National Foundation of Future Farmers of America. He will compete with nine other area winners for the State award.

Steve Hannemann won

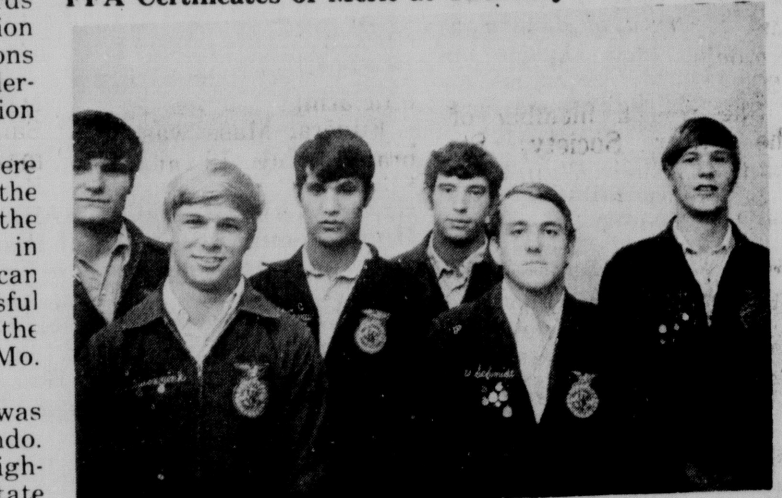

FFA PRESIDENT . . . Larry McWilliams presents plaque for Star Greenhand Farmer to Billy Ward.

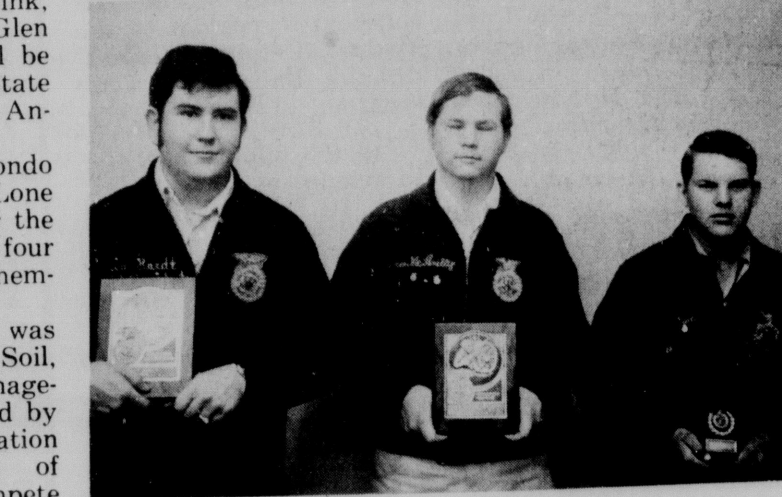

JUNIORS AND SENIORS . . . from Hondo FFA Chapter were presented Certificates of Merit.

FRESHMEN AND SOPHOMORES . . . who received FFA Certificates of Merit at Thursday's FFA Banquet.

STATE FARMERS . . . picked at the Fredericksburg Area VII FFA Convention last week include [l-r] Hondo FFA members Glenn Sturm, Alan Muennink, Larry McWilliams, Gene McAnelly, Louis Schmidt and Tim Hardt.

SPECIAL AWARDS . . . won by FFA members from Hondo on the Area level include Jeff Day [left] for Rural Electrification project; Steve Hannemann for Ag mechanics; and Allen Reed for Sales and Service.

GOVERNOR COKE STEVENSON ENDORSES BOB KRUEGER FOR U.S. CONGRESS

"I supported O. C. Fisher in the Congress of the United States for more than thirty years, and I have supported him actively in sixteen campaigns in which he has been elected to this important office.

"I would support him again if he were a candidate for reelection. The point I wish to emphasize is that this district needs an able and dedicated man to represent us in Congress.

"I believe BOB KRUEGER of Comal County possesses qualifications which will enable him to represent the district in a fair and impartial manner.

"I believe he will do this with honor to himself and credit to his district. I SUPPORT HIM STRONGLY.

--Governor Coke R. Stevenson

R **OUR LEGACY FROM THE MEDICINE MAN**

Who would ever think on entering today's streamlined pharmacy that many of the medicines available had their early beginnings with the medicine man. Of course, they have undergone many changes and refinements. In early days Indians chewed on roots (or leaves) of certain plants in order to extract a "magic substance". This later evolved to a "more sophisticated" technique of cooking the roots for hours and then boiling down the resultant liquid.

Thousands of years have passed since these earliest processes were begun. Our contemporary drugs may bear little resemblance to their crude ancestors. But many of the basic chemical substances do date back to the medicine man.

"A GREAT MANY PEOPLE EN- TRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy? We welcome requests for delivery service and charge accounts."

PEDEN REXALL
1118 18th St. 426-2334

the Agriculture Mechanics Award sponsored by the National Foundation.

Jeff Day was selected winner of the Agriculture Electrification Award by the National Foundation on the Area Level.

Serving as one of five Vice Presidents of the Area VII Future Farmers for the school year 1974-75 will be Tim Hardt of Hondo. President is Gary Adams.

The two student teachers from Texas A&M University returned there Tuesday afternoon. Mr. Ralph Balko will be receiving his B.S. Degree in Agriculture Education at graduation on May 11th.

Mr. Kenneth White will graduate from A&M in August.

Both of the young men have worked in the Hondo Independent School system for the past eight weeks.

Hondo hosts baseball playoffs

Once again, Hondo High School's excellent athletic facilities have brought some good sports entertainment to the town. Three area schools,

including Hondo of course, are using the Hondo High School baseball field for bi-district playoff games.

Last night the D'Hanis Cowboys met Bruni for a bi-district one-game playoff which was concluded too late to meet the Anvil Herald deadline.

This afternoon at 4:15, the Uvalde Coyotes will meet East Central High School for the third and final game of their playoff series.

After taking the first game at home, the Coyotes lost Tuesday to East Central on the Hornets' home field. This will be the only game played on neutral turf.

Tomorrow and possibly Saturday if necessary, the Owls will finish their playoff series against Hebronville. Game time for the Friday game is 7:30 p.m. Saturday's game would begin at 3 p.m.

BANQUET

The 38th annual Hondo FFA Parent & Son Banquet was held in the McDowell Cafeteria May 2nd with over 170 parents, members and guests present.

This annual awards banquet gives special recognition to teams or individual boys.

The program was conducted by FFA members with Larry McWilliams serving as toastmaster.

The Welcome was given by Gene McAnelly, followed by the response given by Mr. Bob Nations. The invocation was given by Bobby Tschirhart.

The banquet meal was prepared by the McDowell Cafeteria workers and was served by 20 Hondo Future Homemakers.

The opening ceremony was presented by the

F.F.A. NEWS

chapter officers. Chapter Vice-President Tim Hardt gave recognition to everyone attending. Duane McCartney and Steve Hannemann gave a report on The Year in Review. A report on FFA Leadership Contest and other judging contests was given by Kirk Decker and Bill Bendele.

Gary Saathoff gave special recognition Certificates of Merit or FFA Foundation Award medals to more than 35 FFA boys. Billy Ward was presented as the Star Greenhand of the Hondo Chapter; Glenn Kriewald was declared as the Star Chapter Farmer of the Hondo Chapter and Gary Saathoff was presented the DeKalb Agricultural Achievement Award and medal.

DEGREE CHECKING
The Revaldina FFA District Degree and Awards Checking Committee met at Natalia on May 1st.

Purpose of this meeting is to look for errors in State Farmer, American Farmer, awards applications.

This is the meeting where different groups of firms are selected as district representative to compete for State honors on the Area VII level.

Tim Hardt will be trying for the Area VII FFA President's position for 1974-75 school year. Tim has served as District FFA president this past year and as vice president of the Hondo FFA Chapter. Tim is an applicant for the State Farmer degree; other State Farmer Degree applicants are Louis Schmidt, Gene McAnelly,

Larry McWilliams and Glenn Sturm.

Louis Schmidt will be competing for Star State Farmer of Area VII. If he is a winner on that level he will then compete on the State level this summer in San Antonio during the State FFA Convention.

Bill Ward was selected as the district winning Star Greenhand and will too be competing for representation of Area VII at the State convention. Steve Hannemann, Jeff Day and Allen Reed will be applying for Coop Training Awards on the Area VII level in Fredericksburg.

The Hondo Anvil Herald and Radio Station KRME will be competing on the Area level for the support they have contributed to the local FFA chapter and to Vocational Agriculture of this area. Gene McAnelly is an applicant for the Santa Fe Scholarship Award on the Area level. Larry McWilliams will be applying for the Soil & Water Management award as well as the Crops Award at Fredericksburg.

Area FFA members who were recognized at the Area VII Convention held May 11 in Fredericksburg included boys from both Medina Valley and D'Hanis FFA Chapters.

Daniel McGrath of Medina Valley was named Area applicant for the Houston Livestock Show and Rodeo Scholarship.

Among the 120 Future Farmers from Area VII selected to receive the State Farmer Degree were Charles Hood, Douglas Kempf, Ronald Koch, Joseph Nester and Richard Rothe, all members of the D'Hanis FFA Chapter. Their award will be presented July 11-12 in San Antonio at the State Convention.

Hondo Future Farmers gathered several awards and entered competition for several high positions in the FFA at the Fredericksburg Area Convention held May 11.

Five Area members were selected from among the 5,000 members for the nation's highest degree in FFA work, the American Farmer Degree. Successful applicants will receive the honor in Kansas City, Mo. in October.

Among the five was Jimmy Mumme of Hondo. Applicants for the highest State honor, the State Farmer Degree, numbered 120 members.

Among these were Hondo members Tim Hardt, Gene McAnelly, Larry McWilliams, Alan Muennink, Louis Schmidt and Glen Sturm. The award will be presented at the State Convention in San Antonio in July.

Louis Schmidt of Hondo received the Star Lone Star Farmer award for the Area. This was one of four special outstanding member awards presented.

Larry McWilliams was selected to receive the Soil, Water and Air Management Award sponsored by the National Foundation of Future Farmers of America. He will compete with nine other area winners for the State award.

Steve Hannemann won

FFA PRESIDENT . . . Larry McWilliams presents plaque for Star Greenhand Farmer to Billy Ward.

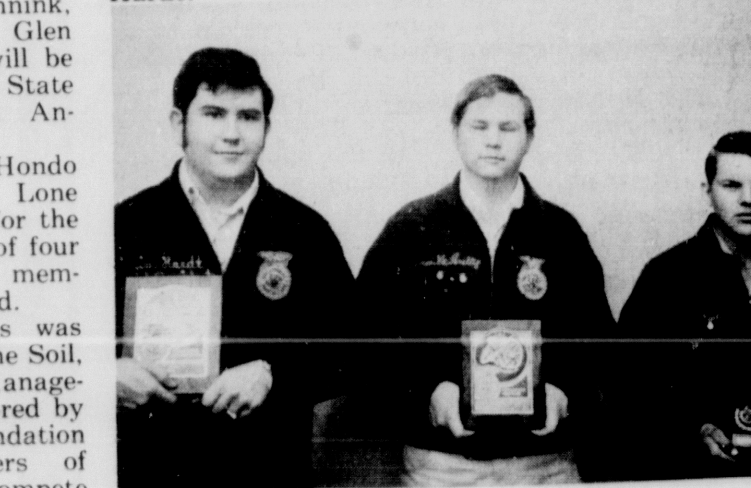

JUNIORS AND SENIORS . . . from Hondo FFA Chapter were presented Certificates of Merit.

FRESHMEN AND SOPHOMORES . . . who received FFA Certificates of Merit at Thursday's FFA Banquet.

STATE FARMERS . . . picked at the Fredericksburg Area VII FFA Convention last week include [l-r] Hondo FFA members Glenn Sturm, Alan Muennink, Larry McWilliams, Gene McAnelly, Louis Schmidt and Tim Hardt.

SPECIAL AWARDS . . . won by FFA members from Hondo on the Area level include Jeff Day [left] for Rural Electrification project; Steve Hannemann for Ag mechanics; and Allen Reed for Sales and Service.

Obituaries

Mr. Edd Ouzts

Mr. Edd Ouzts, 84, of Natalia passed away on Wednesday, May 1, 1974 in the Medina Memorial Hospital, Hondo, after a lengthy illness.

Mr. Ouzts was born June 16, 1889 at Gibsland, Louisiana. He was the son of the late Mr. and Mrs. John Henry Ouzts.

He and Miss Caroline Rebecca Dance were married September 5, 1912 in Athens, La. She preceded him in death Oct. 28, 1961.

Survivors are three daughters, Mrs. Ruby Tilley of Rio Hondo, Mrs. Earnestine Gardner of Rt. 1, Devine, Mrs. Ollie (Ann) Bassett of Devine; one son, John Robert Ouzts of Devine; one brother, Walter Ouzts of Moksville, La.; 10 grandchildren, 10 great-grandchildren and a host of nieces and nephews.

Mr. Ouzts with his family moved to the Natalia and Devine area in 1930 from Gibsland, La. He was a successful farmer having been one all his life. He was a member of the United Methodist Church in Devine where he was a faithful member.

Funeral services were held Sunday afternoon, May 5, at 3 o'clock at the United Methodist Church with Rev. Duane Spencer, pastor of Grace Bible Church of San Antonio, assisted by the pastor Rev. Billy H. Hammond.

Burial was in the Evergreen Cemetery under the direction of Hurley Funeral Home.

Pallbearers were Henry Manger Jr. and Mr. Ouzts' grandsons -- Brian Long, Weldon Simmons, Jim Pilgrim, Don Hazard and Howard Henderson.

Mrs. Henry Lutz

Mrs. Henry (Edina Huegele) Lutz, age 80, of 309 N. Chupaderas, San Antonio, died April 26, 1974.

She was a member of the Altar Society, St. Agnes Catholic Church.

Survivors are her husband, Henry J. Lutz;

daughters, Mrs. Douglas (Ethel) Connors of Southport, Conn., Mrs. Alfred (Elva) Hoffman of San Antonio; ten grandchildren; and eight great-grandchildren.

Rosary was held at 8 p.m. Sunday, April 28, at Zizik-Kearns Chapel. Procession left funeral home 9:30 Monday morning for 10 a.m. Mass at St. Agnes Catholic Church offered by the Rev. Joseph F. Sweeney, CSSP. Father George Stuebben of Hondo concelebrated the Mass with Rev. Sweeney.

Interment was in San Fernando Cemetery No. 2. Arrangements were by Zizik-Kearns of San Antonio.

Mrs. May Theresa Koch

Mrs. May Theresa Koch, 89, of D'Hanis died May 11, 1974 at Brown's Nursing Center in Hondo.

She was born March 23, 1885 in Travis County, Texas to Albert Pichot and Molly Dawson Pichot, both of whom preceded her in death.

Her first husband, Frank H. Schweers, died in 1938.

She lived in Hondo most of her early life, and spent the past 34 years in D'Hanis. She was a housewife, a member of Holy Cross Catholic Church, D'Hanis, and a member of the Holy Cross Altar Society. She was also a member of the Hermann Sisters Lodge.

She is survived by her husband, Ed S. Koch of D'Hanis; sons Milton Schweers of Baytown, and Roy Schweers of San Antonio; stepsons, George, Guenther, Herbert, Francis and Joe Koch; brother, Willie Pichot of Hondo; sisters, Mrs. Robert (Nettie) Koch of Hondo, Mrs. John (Dolly) Hollan, Victoria; 21 grandchildren, and 37 great-grandchildren.

Rosary was recited May 12 at Holy Cross Catholic Church, D'Hanis, with Rev. Victor Schmidtinsky officiating.

Funeral Mass was celebrated May 13 at Holy Cross by Rev. Schmidtinsky. Interment was in Oakwood Cemetery, Hondo.

Pallbearers included Raymond Koch, Marvin Schweers, Bruno Schweers, Harold Stiegler, Hilmar J. Koch and Floyd L. Saathoff.

Funeral arrangements were by Guinn-Horger Funeral Home, Hondo.

Mr. Bob Green

Mr. Bob Green, age 84, of Route 1, Devine, passed away unexpectedly at his home on Friday, May 3, 1974.

He was born May 18, 1889 in Hancock County, Tennessee.

Survivors are one son, Billy R. Green, Coleman; three sisters, Mrs. Ida Christian of Sanger, Texas, Mrs. Moode Eklund of Toms River, New Jersey, and Mrs. Linnie Felkner, Salem, N. Carolina; two grandsons, one granddaughter and a host of friends.

Two sisters and one brother preceded him in death.

Mr. Green moved to Texas in 1901 and retired from the Southern Pacific Railroad in 1954. He was a member of Highland Park Baptist Church in San Antonio and a former member of the Natalia American Legion Post 371.

He served in France during World War I. Mr. Green enjoyed fishing and working in his garden.

Funeral service was held Monday afternoon, May 6, at 2:00 at Hurley Funeral Chapel in Devine with Rev. Patrick E. Spannagel, pastor of the Bible Independent Baptist Church, Devine, officiating.

The body was taken to Coleman by Hurley Ambulance for 10 o'clock graveside service on Tuesday morning at Coleman City Cemetery with Rev. Milton Allen officiating.

Graveside honorary pallbearers were Truett Hipsher, Gay Hipsher, T. L. Sparkman, Caskey Livingston, Frank Brewer and Dewey Wilson.

Local honorary pallbearers were Austin Franklin, Sam DuBose, Clyde Neuman, W. C. Morris, C. V. Kerr, Cecil Burns, Richard Haass, Vic C. Meier and Walter H. Lessing.

Brown's joins special week

Brown's Nursing and Convalescent Center in Hondo is joining the Texas Nursing Home Association in celebrating Nursing Home Week May 12-18, 1974, in order to honor our senior citizens who reside in Long Term Care facilities.

In expanding on the purpose of Nursing Home Week, Rogers Wilson of Austin, President of the TNHA said, "We want to focus attention on the nursing home in order 1) to increase community awareness of the need for nursing home-community involvement for the sake of our residents, and 2) to create a better community understanding of the role of nursing homes -- their achievements, goals and future roles in the total health care system."

A wide range of activities are planned for Nursing Home Week which include parties, picnics, shopping sprees, entertainment, art shows, etc. The community is given a special invitation

to join in all the activities which begin on Mother's Day, May 12.

TNHA President Wilson went on to say, "Most people in our communities are probably unfamiliar with nursing homes and what the facility of today has to offer. Nursing Home Week is an excellent opportunity to find out and to visit with a lot of wonderful people. Our patients and staff are looking forward to a visit from the general public."

In proclaiming May 12-18 as Nursing Home Week in Texas, Governor Dolph Briscoe in his proclamation "urged our citizens (of Texas) to visit a nursing home and acquaint themselves with the patients, staff, the facilities, the services rendered, and the progress and potential for the future."

The theme for this week of emphasis is "Nursing Homes - We Care." You can show you care by following the Governor's suggestion and visit a nursing home during May 12-18.

Week in Texas, Governor Dolph Briscoe in his proclamation "urged our citizens (of Texas) to visit a nursing home and acquaint themselves with the patients, staff, the facilities, the services rendered, and the progress and potential for the future."

MRS. IMOGENE BOHMFALK
MANAGER

Norman K. Waggoner

A tractor maintenance short course for adult farmers will be held June 10-13 under the sponsorship of the D'Hanis High School Vocational Agriculture Department, according to Roy Kile, Superintendent, and Wayne Cheney, teacher of vocational agriculture.

The short course is being sponsored by the vocational agriculture department of D'Hanis High School.

Norman K. Waggoner, tractor maintenance specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M University, will do the instruction. He is headquartered at Texas A&M University.

Waggoner, a native of Michigan, received his B.S. Degree in Agricultural Education from Michigan State University, in 1942 and his Master's Degree in Ag. Economics in 1948 from the same institution. He taught vocational agriculture in D'Hanis High School for 5 1/2 years. Since 1951 he has been associated with Ford Motor Co. in several capacities in the Tractor & Implement Division. For three years prior to joining the Specialist Program, he trained service and sales

personnel for the Ford Motor Co. at Paris, Texas. Arrangements for the adult education short course in tractor maintenance in other fields are made through Cheney's office.

The short course at D'Hanis is scheduled to begin June 10 at 7 p.m. in the vocational agriculture building. Other meetings in the series of four will be held June 11-12-13.

During the dates the short course is in progress, Waggoner will be available to assist farmers with individual tractor problems and to provide "on-the-farm" instruction, according to Cheney.

Farmers interested in attending the short course should write or call the superintendent of schools, Roy Kile, or the teacher of vocational agriculture, Wayne Cheney. An entry fee of \$3 will be charged. Tractor Maintenance Short Course Certificates are to be presented to each

individual who attends all the training sessions.

Waggoner states that the key to longer tractor life comes from a full knowledge of the fundamentals of an engine and the application of the proper maintenance skills involving lubrication, fuels, carburetion, air cleaners, cooling systems, valves and ignition. Waggoner will cover the proper adjustments and maintenance of the above, with emphasis on the importance of each in obtaining a longer tractor life, and improved performance. Throughout the short course, emphasis will be placed on "learning to do by doing" through the use of several demonstration tractors. All enrollees will have the opportunity to perform actual adjustments and maintenance on their own tractors. Safety and operating techniques will also be stressed.

"Short courses in tractor maintenance, as well as

other subjects, are now available to farmers throughout the state under the new cooperative program between the Texas Education Agency and Texas A&M University, stated Bob Jaska, associate professor, Department of Agricultural Education at Texas A&M University who coordinates the program for Texas A&M.

"This cooperative program," states Jaska, "is designed to make the services of specialists available to conduct short courses under the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people."

Specialist are now available in the fields of Beef Production, Farm Wiring, Electric Motors, Farm Welding, Swine Production, Tractor Maintenance, Pasture, and Oxyacetylene Welding.

Owls share district crown; enter bi-district playoffs

Hondo High School captured its second district championship of the 1973-74 season Friday night as they edged the Medina Valley Panthers 1-0 in eight innings to share the 28-AA baseball loop crown. Last night the Owls met Hebronville for the first bi-district game, played after the Anvil Herald's press-time. The

two teams will meet again Friday night in Hondo at 7:30 p.m. Should a third game be necessary, it will be played at 3 p.m. Saturday, also at Hondo.

The game came about as Hondo made a last-minute surge to end the regular season a half-game behind the Orangemen. A game between Medina Valley in

Cotulla, rained out in the eighth inning two weeks ago, had to be continued Tuesday afternoon in Cotulla.

In five pitches it was over, Cotulla having scored a run to win 2-1. The game resumed with a Cowboy runner on second and one out. A long fly advanced the runner, and a single scored him.

The fateful Hondo-Medina Valley game went down to the wire, with Owl hurler Bob Spears matching pitches with Orange ace David DeCock. Spears struck out seven and walked two. DeCock fanned eight Owls while walking two.

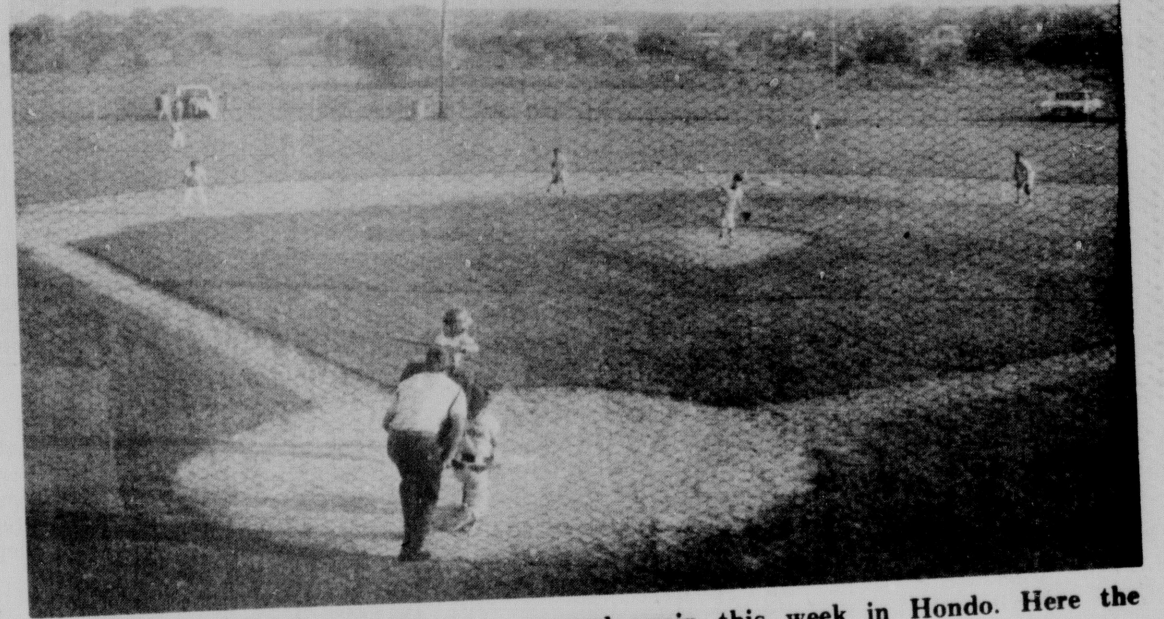

Hondo had a chance to score the winning run in the sixth inning as Mike Groff gained second on an errant throw to first after a ground ball. A passed ball put Bobby Cox, who ran for Groff, on third base. But a fielder's choice by Gordie Bohmfalk saw Cox tagged at the plate.

Medina Valley had a scoring chance in the seventh as Gary Danielson walked, was sacrificed to second, and reached third on a passed ball. But with two outs, the next batter struck out to end the threat.

Hondo won as Bohmfalk singled, and Bobby Rios went in to run for him. A single by Alex Mendoza advanced Rios to second. Then Mike Groff laid down a bunt and the wild throw to first allowed Rios to score.

The game was a tightly-played one, with little hitting. Hondo gathered five hits with David Knowles leading the hitting with two singles. Simon Arcos, Gordon Bohmfalk and Alex Mendoza each had a single.

Medina Valley scattered three hits; David DeCock drilled a double and single, and Mickey Holzhaus singled.

LITTLE LEAGUE ACTION . . . opened again this week in Hondo. Here the Speedsters and Tigers meet in a Minor League game.

Hondo, Cards win in Hiway 90

Halfway through the first round of Highway 90 League play, the D'Hanis Cardinals cling to first place at 3-0. In second place with a 2-0 record is Medina Valley, followed by Hondo and Pearsall at 1-1 each; Castroville is winless at 0-2, as is

Charlotte at 0-3. Sunday all six teams were in action, with D'Hanis downing Pearsall 13-1, Hondo edging Castroville 11-10, and Medina Valley defeating Charlotte 10-5.

No league games are set Sunday, except a makeup

between Pearsall and Castroville.

HONDO-CASTROVILLE
The Castroville Giants held an 8-0 edge over the Hondo Eagles Sunday until Simon Arcos unleashed a rally with his 3-run homer in the fifth inning. Before it ended, Jim Prescott singled in a run to tie the score at 8-8.

In the seventh inning Johnny Miranda blasted another 3-run home run to put Hondo into the lead 11-8. Castroville rallied for two more runs, but failed to catch the Eagles.

Winning pitcher for Hondo was Mario Garcia. Loser was Gary Danielson.

Johnny Miranda and Henry Rodriguez each collected three hits for the Eagles.

The Eagles scored five runs in the seventh and six more in the eighth to take the win.

Sunday the Eagles will play a non-league game against the Farmer's Club of the San Antonio Spanish-American League. The Farmer's Club is current league leader. Game time will be 3:30 p.m. at Pruneda Park.

D'HANIS-PEARSALL
D'Hanis Cardinals launched a 4-0 lead in the opening inning against Pearsall as leadoff-man Johnny Zinsmeyer singled. Walt Rothe doubled. Charles Rothe doubled, and Chris Finger blasted a home run.

The Cards added runs in the second, third and sixth innings before sacking the game away in the ninth with a five-run attack.

Two walks and a hit batter helped put baserunners on, then Rusty Attaway singled and Charles Rothe hit another double to score the runs.

Pearsall's sole run came just under the wire as, with two out in the ninth, Silvas (who had walked) scored on a long double by Bernal. But moments after Silvas crossed the plate Bernal was tagged out at third base to end the game.

Winning pitcher for D'Hanis was Walt Rothe, who allowed four well-spaced hits and struck out nine while walking five.

Losing pitcher was the starter, Benavides who was lifted in the third inning for Garza. The two struck out six and walked seven.

Leading the Cardinal hitters was Johnny Zinsmeyer's three singles and a double in six times at bat. Charlie Rothe hit a pair of doubles and a single; Rusty Attaway had two singles; Chris Finger had a home run; and Greg Rothe and Chuck Burrell each had a single.

SPORT FACTS

Ralph Hauger

The Kentucky Derby has never been split but the Preakness was back in 1918 and could be again this year if enough horses are entered. In 1918 "War Cloud" won the first division and "Jack Hare, Junior" took the second.

Henry Aaron of the Atlanta Braves hit his 720th career home run against Lynn McGlothen of the St. Louis Cardinals this season. McGlothen wasn't bothered by it. He said: "Why should I worry about his 720th? He hit 719 before that."

Owls share district crown; enter bi-district playoffs

Hondo High School captured its second district championship of the 1973-74 season Friday night as they edged the Medina Valley Panthers 1-0 in eight innings to share the 28-AA baseball loop crown. Last night the Owls met Hebronville for the first bi-district game, played after the Anvil Herald's press-time. The two teams will meet again Friday night in Hondo at 7:30 p.m.

Should a third game be necessary, it will be played at 3 p.m. Saturday, also at Hondo.

The game came about as Hondo made a last-minute surge to end the regular season a half-game behind the Orangemen. A game between Medina Valley in

Cotulla, rained out in the eighth inning two weeks ago, had to be continued Tuesday afternoon in Cotulla.

In five pitches it was over, Cotulla having scored a run to win 2-1. The game resumed with a Cowboy runner on second and one out. A long fly advanced the runner, and a single scored him.

The fateful Hondo-Medina Valley game went down to the wire, with Owl hurler Bob Spears matching pitches with Orange ace David DeCock. Spears struck out seven and walked two. DeCock fanned eight Owls while walking two.

Hondo had a chance to score the winning run in the sixth inning as Mike

Groff gained second on an errant throw to first after a ground ball. A passed ball put Bobby Cox, who ran for Groff, on third base. But a fielder's choice by Gordie Bohmfalk saw Cox tagged at the plate.

Medina Valley had a scoring chance in the seventh as Gary Danielson walked, was sacrificed to second, and reached third on a passed ball. But with two outs, the next batter struck out to end the threat.

Hondo won as Bohmfalk singled, and Bobby Rios went in to run for him. A single by Alex Mendoza advanced Rios to second. Then Mike Groff laid down a bunt and the wild throw to first allowed Rios to score.

The game was a tightly-played one, with little hitting. Hondo gathered five hits with David Knowles leading the hitting with two singles. Simon Arcos, Gordon Bohmfalk and Alex Mendoza each had a single.

Medina Valley scattered three hits: David DeCock drilled a double and single, and Mickey Holzhaus singled.

LITTLE LEAGUE ACTION . . . opened again this week in Hondo. Here the Speedsters and Tigers meet in a Minor League game.

Hondo, Cards win in Hiway 90

Halfway through the first round of Highway 90 League play, the D'Hanis Cardinals cling to first place at 3-0. In second place with a 2-0 record is Medina Valley, followed by Hondo and Pearsall at 1-1 each; Castroville is winless at 0-2, as is

Charlotte at 0-3. Sunday all six teams were in action, with D'Hanis downing Pearsall 13-1, Hondo edging Castroville 11-10, and Medina Valley defeating Charlotte 10-5.

No league games are set Sunday, except a makeup

between Pearsall and Castroville.

HONDO-CASTROVILLE
The Castroville Giants held an 8-0 edge over the Hondo Eagles Sunday until Simon Arcos unleashed a rally with his 3-run homer in the fifth inning. Before it ended, Jim Prescott singled in a run to tie the score at 8-8.

In the seventh inning Johnny Miranda blasted another 3-run home run to put Hondo into the lead 11-8. Castroville rallied for two more runs, but failed to catch the Eagles.

Winning pitcher for Hondo was Mario Garcia. Loser was Gary Danielson.

Johnny Miranda and Henry Rodriguez each collected three hits for the Eagles.

The Eagles scored five runs in the seventh and six more in the eighth to take the win.

Sunday the Eagles will play a non-league game against the Farmer's Club of the San Antonio Spanish-American League. The Farmer's Club is current league leader. Game time will be 3:30 p.m. at Pruneda Park.

D'HANIS-PEARSALL
D'Hanis Cardinals launched a 4-0 lead in the opening inning against Pearsall as leadoff-man Johnny Zinsmeyer singled. Walt Rothe doubled. Charles Rothe doubled, and Chris Finger blasted a home run.

The Cards added runs in the second, third and sixth innings before sacking the game away in the ninth with a five-run attack.

Two walks and a hit batter helped put baserunners on, then Rusty Attaway singled and Charles Rothe hit another double to score the runs.

Pearsall's sole run came just under the wire as, with two out in the ninth, Silvas (who had walked) scored on a long double by Bernal. But moments after Silvas crossed the plate Bernal was tagged out at third base to end the game.

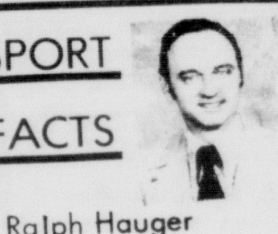

Winning pitcher for D'Hanis was Walt Rothe, who allowed four well-spaced hits and struck out nine while walking five.

Losing pitcher was the starter, Benavides who was lifted in the third inning for Garza. The two struck out six and walked seven.

Leading the Cardinal hitters was Johnny Zinsmeyer's three singles and a double in six times at bat. Charlie Rothe hit a pair of doubles and a single; Rusty Attaway had two singles; Chris Finger had a home run; and Greg Rothe and Chuck Burrell each had a single.

Growth in infancy
College Station -- A child's first two years of life mark striking, radical changes, one authority points out.
She's Mrs. Jane Fleischer Moss, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.
"During his first two years, a child changes from a helpless newborn-lying flat on his back-to a high-powered pedestrian who investigates and conquers everything in reach.
"Physically, he grows almost 12 inches-and gains at least 15 pounds-during this time."
This physical growth also affects a child's total growth pattern. Physical changes bring on different sleeping, eating and elimination habits, the specialist noted.
"For example, when activity increases, sleeping hours decrease.
"Also, as he grows, he learns control over his body--a continuous process covering many years."
Personal care affects an infant from the time he's born.
Mrs. Moss emphasized that a child isn't born a social person--he learns. Social growth, she explained, involves interaction between infant and people in his environment.
"Personal care an infant receives from the time he's born is an important part of social growth."
"During the first several weeks of life, a newborn reacts with self-contained indifference when satisfied--and with undirected, tearful rage if not satisfied, when his whole world seems wet and hungry."
"At this time, people and things seem the same to him. Later he learns to distinguish between them."
"Soon he begins to study people's faces--and before long, he actively demands company."
"After six or seven months, an infant learns that some people are friendly--others strangers--and reacts to them early."
"Some early forms of behavior include imitation, timidity, rivalry, social cooperativeness and resistant behavior."
Emotional development comes through experiences, sensations and personal social adjustment, the specialist continued.
"Learning begins--and continues--from time of birth," she noted.
"Children learn through imitation, repetition and sensory perception--as naturally as they breathe."
"However, learning takes place by degrees--depending on maturity and readiness of the child's body, especially his brain and nervous system."

GETTING A NIBBLE . . . You can tell by the look on this boy's face he thinks he has caught something at the Museum Day Fishing Booth. And he did. In fact hundreds of young people enjoyed catching prizes at the booth which is sponsored annually by the Hondo Women's Golf Association. [Photo by Ted Mendoza]

Growth in infancy

College Station -- A child's first two years of life mark striking, radical changes, one authority points out.

She's Mrs. Jane Fleischer Moss, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

"During his first two years, a child changes from a helpless newborn lying flat on his back to a high-powered pedestrian who investigates and conquers everything in reach.

"Physically, he grows almost 12 inches-and gains at least 15 pounds-during this time."

This physical growth also affects a child's total growth pattern. Physical changes bring on different sleeping, eating and elimination habits, the specialist noted.

"For example, when activity increases, sleeping hours decrease.

"Also, as he grows, he learns control over his body-a continuous process covering many years."

Personal care affects an infant from the time he's born.

Mrs. Moss emphasized that a child isn't born a social person-he learns. Social growth, she explained, involves interaction between infant and people in his environment.

"Personal care an infant receives from the time he's born is an important part of social growth.

"During the first several weeks of life, a newborn reacts with self-contained indifference when satisfied-and with undirected, tearful rage if not satisfied, when his whole world seems wet and hungry.

"At this time, people and things seem the same to him. Later he learns to distinguish between them.

"Soon he begins to study people's faces-and before long, he actively demands company.

"After six or seven months, an infant learns that some people are friendly-others strangers-and reacts to them early.

"Some early forms of behavior include imitation, timidity, rivalry, social cooperativeness and resistant behavior."

Emotional development comes through experiences, sensations and personal social adjustment, the specialist continued.

"Learning begins-and continues-from time of birth," she noted.

"Children learn through imitation, repetition and sensory perception-as naturally as they breathe.

"However, learning takes place by degrees-depending on maturity and readiness of the child's body, especially his brain and nervous system."
